MEMORANDUM TO: Chief, Interdepartmental Coordinating
and Planning Staff

SUBJECT: Proposed Committee on Integration of JANIS and SID
Programs

1. The integration of the JANIS and SID Programs under CIG was discussed informally at the 1 April meeting of the ad hoc committee which is considering the proposed NIA Directive on Intelligence Production. During this discussion the suggestion was made that a committee might be appointed to handle this matter.

2. In the event the decision is made to integrate the JANIS and SID Programs under CIG, this office is of the opinion that a committee should be appointed to effect such integration, and that the composition of this committee should include representatives of State (Office of Research and Intelligence), War (G-2), Navy (ONI), Air (A-2), CIG (ORE), and the Director, JISPB.

3. Should such a committee be appointed, it is recommended that be named ORE's representative to serve as chairman of this committee. It is suggested that ICAPS have an observer sit with the committee so that it may be kept fully informed of the proceedings.
